

Joshua Souders 2017 BCA Student Scholarship Recipient

photo by Donna Allen

The third recipient of the Brandermill Community Association Student Scholarship Award is certainly worthy and we cannot praise him enough for the leadership traits he exhibits.

Josh will attend James Madison University in the fall and is going to study Music Education.

Thank you, congratulations, and best wishes to Josh!

The Brandermill Student Scholarship Program was developed as a community partnership between the Brandermill Community Association and the Chesterfield County school system aimed at providing student opportunities for community service leading to eligibility for college scholarships. The partnership has the full and enthusiastic support of the school system and it puts Brandermill at the forefront of the county's "Design for Excellence" initiative. Brandermill was the perfect place to launch this program and we hope that it will serve as a model for the entire Chesterfield County School System. Furthermore, it is hoped that the effects of this partnership will be felt by many within the community and the schools for many years to come, with scholarships that solidify the personal commitments and connections between students, neighbors, and the BCA community.

Many thanks are due in particular to two Brandermill residents for their foresight and creativity in the development of this scholarship program – Carla Barnes and Dianne Cardea. Thanks also to Dianne Smith, Chesterfield School Board Member for our Clover Hill District for her enthusiastic support of this program!

Residential Brush Pick-up schedule

There will be no brush pickup next week. Zone 1 will be picked up beginning June 5 at 8 a.m. If you see an area that needs our attention, please email pam.etter@brandermill.com or call 744-1035x2001.

Kick off your Memorial Day Weekend with a FREE Community Concert

Friday, May 26, 6:30 p.m.,
Sunday Park Pavilion

Enjoy the vivacious performances of Clover Hill High School's musical groups.

Bring your picnic, chair or blanket, and groove to the sounds of A Higher Third and award winning Big Cheeks. They will get you in the mood to celebrate the beginning of summer!

This concert series has been produced, promoted, and performed under the leadership of Joshua Souders, a Senior at CHHS and resident of Brandermill. Josh is the recipient of the 2017 BCA Student Scholarship.

Congratulation to all of our Brandermill graduates!

Wondering Why Your Brush Pile Wasn't Picked Up?

Brush Pick-Up Guidelines and Taboos

Our residents diligently maintain their properties...especially their yards.. The primary reason the Brandermill Community Association instituted its Brush Collection Program in 2015 was to assist homeowners in beautifying Brandermill. Our original goal was to involve the membership in disposing of the deadfall, windblown sticks, and natural debris throughout the community.

However; there is an important distinction between "brush" and "yard waste". Listed below are the guidelines of our Brush Collection Program to help you determine whether to *Let It Stay* or *Take It Away*.

COLLECTION GUIDELINES

- ◆ Brush includes **ONLY "deadfall"** tree limbs and natural debris. Branches greater than 6 feet in length must be broken up. Leaves will NOT be collected.
- ◆ **ONE** pile per residential property. Crews will not collect multiple piles on one parcel. Remember, this is a MONTHLY collection—we will be back so there is no need to dispose of everything at one time.
- ◆ Crews will **NOT** collect "brush" resulting from resident or contractor tree removal and site preparation for fence installation or other structures, hedge or bush pruning, tree trimming, or lot clearing/ landscaping debris. These cuttings and debris are the owner's responsibility. In many cases, the owner may need to hire a private contractor to remove these items from their property. Residents who do not dispose of debris within 7 days of placing curbside will be considered in violation and will be cited accordingly.

Looking for someone to haul off your yard waste?
Here's a couple of suggestions from Angie's List.....

Did you know....? Illegal dumping, also known as "midnight" dumping is the term used to describe disposing of waste in unauthorized areas. It is an environmental crime. Anyone convicted of a violation in the state of Virginia shall be guilty of a misdemeanor punishable by confinement in jail for not more than 12 months and a fine of not less than \$250 or more than \$2,500, either or both. These unauthorized areas include community common space.

Annoyed by a barking dog?

Nothing is more annoying than the incessant barking of a dog. Dog owners should be respectful of neighbors and not leave a barking dog outside for extended periods.

The BCA does not regulate courtesy between neighbors and/or their pets. Chesterfield County Animal Control is likely your best approach. Residents may reach them by calling 748-1683. You might want to try the non-emergency number for the police department, which is 748-1251. This can be a challenging situation, [additional information can be found here.](#)
