R.A.L Pet of the Week

The Richmond Animal League (RAL) is the area's oldest non-profit "no-kill" organization committed to reducing the homeless pet population in the Richmond area. Founded in 1979, RAL provides temporary housing, medical treatment, sterilization, and quality care to over 1,700 companion animals each year until they are adopted into permanent and loving homes. BCA will be featuring a "Pet of the Week" in hopes that a Brandermill family will find a place in their home for these special animals.

Cinnabon lives in foster care, and she's an adorable 2 year old hound mix, Up to date on shots, spayed and microchipped.

Cinnabon is a beautiful girl who is as sweet as her name! She is between 1 and 2 years old. She is fully grown and approximately 40lbs. She is a smart girl who grasped house and crate training immediately. She is a little reserved at first. But once she knows you, Cinnabon is a total love! She can be very silly and playful. While Cinnabon is a friendly girl, she does not like strangers in the house. She is working on that but would prefer a home without a lot of foot traffic.

She loves a good nap and adores being petted. Cinnabon is a lower energy girl but is still playful. Cinnabon is very social with other dogs. She shows a mild interest in cats

but does not have a lot of experience around them. Cinnabon is a delightful girl and would be a wonderful companion. Cinnabon is in foster care, not at RAL. Fill out an [application](#) to meet her and her foster will contact you to arrange a meeting.

Broad Breasted Whites - \$4.99 lb

These birds are an extremely good compact meat type bird. They dress out well at almost any size, with a pleasantly plump carcass. They are a favorite of many because

they look so well when dressed, having no dark pin feathers, and such fine color.

Mammoth Bronze - \$6.99 lb

These turkeys are so named due to a bronze sheen to their plumage. Bronze free-range turkey meat is a shade darker than Broad Breasted white turkey meat and has a subtle 'gamey' taste, bursting with natural juices.
