Brandermill Curbside Brush Collection Program

The Brandermill Community Association is now pleased to offer a FREE Curbside Brush Collection Program to all residents to further enhance the appearance of your community and property values. This service is funded by your yearly assessments.

Brush will be picked up from homes at the curb, on your property, by a BCA Maintenance crew. Beginning **March 2, 2015** pickup will be once a week for one of the four zones. Every zone will have a once a month pickup. Please see the instructions below for details regarding brush collection. See the reverse side to find the zone in which your neighborhood is located and your brush collection schedule.

Collection Schedule

- Crews will begin collecting brush on the Monday of your zone's week. To ensure collection of brush, residents are asked to place brush at the curbside by **7 a.m. on the designated Monday** for your collection zone. Crews will not return to collect items put out late.
- Residents are reminded that collection of brush **BEGINS** on Monday. All brush in a zone will likely not be collected in one day, ie: on Monday. The crew will probably take 2-3 days to get the brush in each zone, each month. The other days of the weeks/months, the crew will be picking up brush in our parks and common areas.

Collection Guidelines

- Brush includes tree limbs and natural debris. Please break up any branches greater than 6 feet in length. No leaves will be collected.
- Remember, this is a **MONTHLY** collection—we will be back so don't try to get rid of everything at one time.
- If space prevents you from placing brush curbside, please place in the nearest common area for removal.
- **ONE** pile per residential property. Crews will not collect multiple piles on one parcel.
- The purpose of brush collection is **NOT** for lot clearing, excessive tree cutting or landscaping.
- Crews will not collect brush generated by a commercial company (landscapers, tree trimmers, etc.) Commercial companies are required to remove the debris they create, not place it on open space. If you contract with a commercial company make sure they know this.
- Residents do not need to call the BCA to schedule pickup at their property. This is an ongoing year round program. Any changes to the collection schedule due to weather will be posted on the website and in a blast email to residents.

Please contact BCA at 744-1035 or email bca@brandermill.com with any questions.
